** As given in your Passport*

Statement of Interest

Please tell us **about yourself**, e.g. which languages you speak, the skills you possess, what interests you have besides science, what attracted you to apply for the course, and how you intend to make use of it for your future career. Most importantly, please write about the **reasons why you would like to participate** in the course, the research you are presently involved in, and which particular course topics can best support your work? Consider the selection criteria listed on the course website under "Selection of Participants".

Use additional page if necessary

cont.

Two Letters of Recommendation

explaining your academic achievements, your career potential and your character. One must come from your present research advisor / work supervisor and must also contain the approval of your present study or research institution in supporting your leave for the full duration of the research camp. The evaluation forms are also available from http://www.microeco.ethz.ch/rgno_namibia_17/RGNO_Namibia_17.html --> "Application"
Please list here e-mail addresses and phone numbers of the persons from whom we will receive recommendation letters.

Please ask your sponsor whether he / she would be willing to provide this letter and send a copy of the template "Recommendation_Letter_17.pdf" to him / her.
