School contact details (Postal address, tel and fax)

2. Statement of interests

Please tell us about yourself, your interest in ocean sciences, in environmental education, commitment to teaching etc.

- Why are you applying for this workshop?
- How will this workshop help you in teaching science?

3. Experiences as a Science Teacher

- At which levels have you taught?
- At which level are you currently teaching?
- How familiar are you with the syllabus of your subject and teaching level, e.g. the Life Science and the Physical Science Syllabus, Grades 8-12 of the NIED?
- To which topics in your specialized field and at which level are you integrating ocean science aspects already?
- To which topics and at which level would you like to integrate ocean science aspects in the future?

4. Involvement in Environmental Education at your school in general?

- Does your school have an Environmental Club or a similar activity that promotes environmental awareness?
Which ones?
- Which educational tours, field trips, excursions, visits are being offered at your school and at which level of training?

5. Familiarity with Namibia's coastal and marine environment

- How often do you visit the coast personally?
- How often do you come to the coast with your students?

6. Expectations

- What do you expect to get out of this training course?

7. Assistance with transportation costs

Meals, accommodation and transports during the workshop will be covered by the course for all accepted participants. It is expected, however, that participants take care of their own transportation to and from Swakopmund with the help of their school. If you do need support from MEEO, please give good reasons below

Please confirm by accepting the boxes below (mandatory).

I declare that the information I have given is correct and true.

The workshop assumes no responsibility for compensation in the event of my sickness, accident, death or disability.

Signature

upload a picture of your hand signature into the field

Date

Deadline for submission of the application is 30. April 2019. If you do not hear from the coordinators within five days after the deadline, you may consider your application unsuccessful.
